Higher Education at the Margins
Our vision

Learning Together to Transform the World

Our mission

JWL provides tertiary learning to people and communities at the margins of societies - be it through poverty, location, lack of opportunity, conflict or forced displacement – so all can contribute their knowledge and voices to the global community of learners and together foster hope to create a more peaceful and humane world.
A blended model of online-learning

Onsite Tutor

Online Teacher

Students - learning community
Our history: from JCHEM to JWL
